Opening new worlds of opportunity.

There is nothing more rewarding to a parent or a teacher than a child who has discovered a whole new world through active learning, exploration and expression.

Through expert faculty training, quality learning materials and the patience and perseverance of professional Montessori educators, our students build self-confidence as they develop their new abilities, helping them to explore new worlds of opportunities and success.

FUEL THE ROCKETS

NAMSF is an independent organization, but works in conjunction with the other organizations present at North Avondale Montessori.

Your donation to the NAMSF goes to support North Avondale Montessori community organizations such as the Instructional Leadership Team (ILT) which helps identify the needs of the classrooms and students for materials and extracurricular programs such as tutoring and STEM programs, and the Local School Decision Making Committee (LSDMC) which helps develop curriculum for the school, The Parent Teacher Organization (PTO) and Fathers' Group, which plan and coordinate fun events for the NAM community.
